How did you hear about us? What experience/education do you think would prepare you the most for this position?

How do you think you will benefit from this internship? How will One Ocean Diving benefit from having you?

Why is ocean (or more specifically, shark) conservation important to you?

One of your main responsibilities as a One Ocean Diving Intern will be creating content for our social media pages. Please write a well researched potential Instagram post. See our Instagram page @oneoceandiving for reference.

If you could be any marine creature, what would you be, and why?

Don't forget to attach your resume!!
